

ENVIRONMENTAL POLICY

FREIGHT MASTERS LLC's strives to achieve the highest performance standards for energy use and environmental impact throughout our organization and will measure the achievement of the aims and objectives of this policy.

In implementing this policy FREIGHT MASTERS LLC recognizes that our operations have the potential to impact adversely on the environment.

FREIGHT MASTERS LLC believes that every one of our personnel should have a personal and collective responsibility to protect the environment, to promote the use of sustainable resources and to improve process efficiency.

Our major targets are:

- To manage corporately and at business level the effective use of resources to minimize the generation of wastes and pollution and to ensure sustainability.
- To comply with, and where practicable exceed, the requirements and targets set by existing legislation and regulations and to plan ahead for future compliance.
- To use impact assessment to minimize any adverse effects of our operations on the environment and where possible to improve the environment.
- To, so far as reasonable practicable, use transport means that minimize pollution and the consumption of non-renewable resources.
- To embrace Client and internationally recognized objectives when setting internal targets and preparing procedures to monitor energy use in offices, waste recycling in offices and material disposal in warehouses.
- To provide and maintain so far as practicable a pollution free environment for our personnel and the wider community in which they interact.
- To take into account the environmental impacts of our raw material sourcing and operations on habitats, species diversity and natural beauty.
- To provide a common framework, which adopts and supports best practice, for energy and environmental management at all levels within our company.
- To allocate appropriate resources to ensure the effective implementation of this policy.
- To encourage the development of similar policies within our supply sources.

The aim of this policy will only be achieved through leadership, responsible management, commitment and ownership of these issues by FREIGHT MASTERS LLC personnel.
